

OWEN MAY SOON KNOW HIS FATE

PAPERS IN CASE PREPARED AND
FORWARDED TO GOVERNOR.

This Would Be the First Legal White
Hanging Ever Executed in
Alachua County.

R. H. Owen, the white man now confined in the county jail and who has been sentenced to hang, will soon know his fate.

All papers in the case have been prepared by Clerk of the Court Wiggins and forwarded to the Governor at Tallahassee, who will investigate them and set the day upon which the man shall die according to the sentence imposed upon him by Judge Wills at the special term of court.

The wife of Owen is endeavoring to get up a petition, but she has been seen around the streets but very little, and it is said that but very few have signed the paper. Many have never seen it and from present indications the petition will never leave this city unless others take the matter up and assist the woman in her trouble.

The usual procedure will be gone through with at Tallahassee, the Governor issuing the death warrant and setting the time that the man is to be hung.

Should Sheriff Ramsey have to perform the act of hanging Owen, it will be the first legal white hanging ever to occur here. This record causes many to believe that someone will intervene in the man's behalf and endeavor to get the sentence commuted to life imprisonment.

Several of the ministers have called upon the doomed man, but as his mind seems very shallow, they obtain little satisfaction. Owen is an illiterate person and it will apparently require a great deal of time to teach him right from wrong.

Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says The Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by all druggists.

Five Cases Before Mayor.

There were five cases before Mayor Davis on Friday morning, all being charged with disobeying the sanitary laws of the city.

All were let off with the payment of costs upon the promise to comply with the city ordinance in reference to the sanitary buckets.

C. Y. Crawford, charged with allowing water to run on the streets near his stables, was instructed to connect with the city sewer at once.

Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by all druggists.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root. Some strong testimonials including many of the thousands of testimonials received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

REV. L. D. GEIGER DEAD.

Passed Away at His Home at Apopka
Tuesday Night.

Rev. L. D. Geiger died last night at his home in Apopka. Mr. Geiger was for several years pastor of the Ocala Baptist church, and made many lasting friends in this city. He was secretary of the State Board of Missions, the most important office of that denomination in the State, and was also one of the most gifted and popular preachers in Florida. His death will be a great blow to his friends and the Baptist church.

Mr. Geiger was born in Levy county about fifty years ago. He is survived by a wife and several children.—Ocala Star, 21st.

A Baby Show in Gainesville

Would have many contestants; but it's safe to say that the healthiest baby would win the prize. No baby can be healthy who suffers from worms, and most babies do unless they are kept free from them with White's Cream Vermifuge. Acts quickly, yet mildly—is its own purgative. Mothers, don't attempt to raise children without White's Cream Vermifuge. Price 25 cents. Sold by W. M. Johnson.

Returned to Newberry.

Deputy Sheriff Wynne of Newberry arrived in the city Thursday for the purpose of carrying back to that point Elvira Carr, the negro woman who is charged with stabbing another woman by the name of Minerva. She will be given a preliminary hearing before Justice Carter at that place today. The woman who was wounded has sufficiently recovered to be present at the hearing.

Mr. F. G. Fritts, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the system and clears the complexion. J. W. McCollum & Co.

Fine String Band.

Prof. N. Marinaro's neapolitan quartette, one of the finest in the country, are now here and will remain for the next few days. They were heard in various places around the square yesterday and have attracted a great deal of attention. Arrangements will probably be made for them to give a public exhibition.

People past middle life usually have some kidney or bladder disorder that saps the vitality, which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys, and restores strength and vigor. It cures uric acid troubles by strengthening the kidneys so they will strain out the uric acid that settles in the muscles and joints causing rheumatism. J. W. McCollum & Co.

DIG JAIL DELIV- ERY AT DELAND

CONDEMNED MURDERERS AMONG
THOSE WHO ESCAPED.

The Prisoners Secured Their Liberty
by Digging Through the
Cement Floor.

DELAND, April 21.—A jail delivery here last night liberated Arthur Nelson, convicted of murder in the first degree, and sentenced to death, also John Johnson, who was also convicted of murder this week and given a life sentence. Others who escaped were Charles Warren, indicted for murder; Theo. Hart, for manslaughter, and Jim Hampton, charged with adultery.

The prisoners were left in the corridor of the county jail over night, and dug their way out through the cement floor and brick walls. Bloodhounds couldn't take the trail because too many people had been on the scene.

THE NEWS FROM MELROSE.

Winter Visitors Depart for North.
Personal Notes of Interest.

MELROSE, April 22.—Mr. and Mrs. R. Barnett of Blacksburg, Ga., are visiting Mrs. Morris.

At a called meeting of Chapter No. 27, O. E. S., Miss C. McRae and Miss Sadie L. Mullin were elected delegates to the Grand Chapter meeting at Jacksonville today.

The motor boat of B. Chamberlain has arrived here. It is 30 feet long, eight foot beam, with canopy top and seven and a half horse-power gasoline engine. Its new owner expects to spend a good deal of his time on the lake hereafter.

Rev. Barr left Monday for Leesburg to assist at a revival meeting held by Rev. Hice. He expects to be absent for a week.

A large crowd was at the public dock on Saturday morning to bid goodbye to Mr. and Mrs. J. N. Cole and Mr. and Mrs. J. Ackroyd of Utica, N. Y. Few people have made more friends in one winter than all of these charming people, who came to Melrose for the first time last fall. Mr. Cole has bought the fine residence and grove of Mrs. Caldwell. It is one of the most desirable homes on the lake and the grove, for its size, one of the most profitable ones in town; besides the large number of various citrus trees, there are Japanese persimmons, guavas, figs and bananas and about thirty of Dr. Curtis' famous pepper-shell pecan trees. The house itself is surrounded by beautiful tall palmetto palms, oleanders, magnolias and camphor trees, while lovely roses grow on trellises against the spacious verandas. Mr. Cole has already made some improvements at his boat house and later on proposes to bulkhead his entire waterfront. The people of Melrose extend to Mr. and Mrs. Cole their heartiest welcome as future winter residents and look forward to their early return next fall and hope they will bring Mr. and Mrs. Ackroyd with them.

P. Lee has returned from the Atlanta Dental College for the summer.

J. H. Pearsall of Westfield, N. J., is the guest of B. Chamberlain for about two weeks.

Objects to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by all druggists.

Impressed.

"I appear to have made something of an impression on that man over there," remarked a young lady at a wedding party. "He has been looking at me ever since I arrived."

"If you mean that one with the black mustache, he's the detective engaged to look after the presents!" said a friend.

If you have backache and urinary troubles you should take Foley's Kidney Remedy to strengthen and build up the kidneys so they will act properly, as a serious kidney trouble may develop. J. W. McCollum & Co.
